-  ONGOING

Need your input on:

- Draft Safety Plan with
 - Police, Fire & EMS Depts
 - City & Support Services
- Staffed 24/7
- Trained Security Personnel
- HATS Emergency contact
- Lighting
- Fenced with Controlled Entry
- Cameras
- Beat Officers Well-informed
- Routine checks by SNP
- Trained community mediator

There may be issues initially, however:

- Site is managed and rules enforced by staff and residents
- HATS residents want it to be a success
- SNP & support services rotating on site
- There will be a No Trespass Order
- If something happens outside our site, call 911

RCMP Sgt. Trevor Busch:

“What I can speak to is my experience here in Cowichan Valley... a place like this in many regards is going to **reduce crime**, it’s going to **reduce calls for service...**”

Resident Intake Process

- Intake Committee: members of social services organizations
- Peer supports of people with lived experience
- Work to house those already in your neighbourhood
- Provide housing, structure, stability & supports

Residents' Commitment

- ❑ Sign a Site Occupancy Agreement:
 - Agree to adhere to the policies, rules & behaviour guidelines
- ❑ Pay the housing portion of ODSP/OW
- ❑ Participate in Skills Development Program
- ❑ Where possible & practical, take part in Therapeutic Programming
- ❑ Leverage numerous wrap-around supports, incl. Case Management
